## The Bitter Truth Tonic Bitters

### 87 Points

***"Highly Recommended"***

Jerald O'Kennard, Director - Tastings.com

*"On the nose, very herb driven with dried seaweed and tobacco notes. On the palate the bitters and subtle and give a dusty earthy, jicama and radish root vegetable note combined with cola nut. This dry earthiness continues in the Martini cocktail on the nose and amplifies the piney juniper quality of the gin throughout and gives a distinctive dried lime note on the finish. A refined bitters for seriously dry cocktails."*
