

The BITTER TRUTH

GOLDEN FALERNUM

A FLAVORFUL RUM BASED SPICE LIQUEUR

A coconut doesn't grow on a pumpkin vine and The Bitter Truth Golden Falernum Liqueur doesn't forget it's a rum liqueur. This Falernum is gold in color, taste and texture, but never one note, it is a calypso of flavor. On the nose fresh lime, seashell and ginger with just a hint of Christmas. The taste carnivals from fresh ginger to vanilla and almond, surfing towards an atomic fireball. All spice giving into a splash of lime and a delicate hint of Bajan sweet pepper sauce-like heat. With breadth that feels like a two week holiday, this little number can perk up any aged spirit and instantly turn it into a drink worthy of some elaborate tropical adornment beyond the obligatory paper umbrella.

The Bitter Truth Golden Falernum Liqueur is an exotic spiced liqueur on the base of the finest Caribbean Rum. Falernum gained in importance during the Tiki era in the middle of the 20th century.

With an ABV of 18 % Vol. Golden Falernum is a very distinctive feature among its category. This Falernum can be sipped neat or on ice but its a great companion for aged spirits like Whisk(e)y, Rum and Brandy. And of course it's an indispensable ingredient in numerous Tiki Drinks.
