Banana

For TIKI LOVERS Banana, superior Caribbean pot still and column still rums, craftily made in Jamaica, Barbados and Trinidad, are blended with the all-natural flavors of sun-ripened bananas.

Fresh, fruity, and crisp, TIKI LOVERS Banana offers complex aromas of ripe and dried bananas, that blend exceptionally well with the rum base, creating a spirit, which is light but bursting of flavors.

Perfectly balanced, with the rum shining through beautifully, TIKI LOVERS Banana is the ideal base for tropical drinks such as the Banana Daiquiri and rum-based drinks that need a fruity twist.
