TIKI LOVERS

Dark Rum

...is bottled at a hefty English proof. At 57% Vol. it is the perfect marriage between unaged Jamaican pot-still rum from the famous Hampden Estate and rum from Barbados, aged between 2 and 3 years, distilled at Foursquare Distillery.

The barrels of the chosen Barbados Rum age on tropical shores, exposed to the sea breeze, warm climate and are high on evaporation rate, leading to a more complex and balanced spirit.

The final touch is a small blend of fresh column-still rums from Trinidad and Guyana for ultimate complexity, rounded-off with 3-5 years-old Trinidadian Rum.

TIKI LOVERS Dark Rum was created in 2011. It is a complex and rich rum with hints of vanilla, dark fruit, molasses and spice.
